I said I don't know how his involvement would affect how I think it would play out. Are you dense?

If he speaks it could remain a rally and never get violent or it could go the other way. I have no idea. I never said he would lead the army.

Is he going to turn it into a rally? We need more than a rally at this point.

This is what you said 🍌

You didn't say that, you said:

I think Trump clearly has plans to be there, and perhaps more than just a drive by or fly-by. He may be planning a rally somewhere close.

Uhhhh, no.

The Secret Service won't allow that with all the crazy talk about bringing weapons into DC and 'doing what needs to be done'.

An idiot with a rifle is a danger to everyone around him. Especially himself.
